

About Rajiv Gandhi University

Rajiv Gandhi University, the oldest university of Arunachal Pradesh was established in 1984, and grow into a Central University under MHRD, Govt. of India since 9 April, 2007.

About the Department of Mathematics

The department of Mathematics is an important constituent of the Faculty of Basic Sciences since 2005, the year when it was established. The Department offers M. Sc., M. Phil. and Ph. D. with various topics. For more details you may visit www.rgu.ac.in

The Covid-19 pandemic has overwhelmed the entire globe along with India. It has expressively disrupted the higher education sector as well, which is a critical determinant of a country's economic and educational future. To ensure the continuity of learning, the digital mode is the only option for us. So, we try to organize this type of e-learning program.

Objectives

ICAMST - 2020 is intended to provide a common platform for researchers, scientists, engineers and other interested professionals to present their latest findings, ideas, developments and applications covering aspects of the History and Development of Mathematical Sciences with their latest Applications. This Conference is the premium forum for the presentation of new advances, research results and to discuss the future trends in the fields of Mathematics along with Science and Technology. We cordially invite prospective authors to submit unpublished research papers with novel contributions to ICAMST2020.

Important Dates

Registration starts on: 2nd August, 2020
Registration closes on: 26th August, 2020
e-Abstract closes on: 26th August, 2020
