MINUTES OF THE MEETING OF THE TRANSPORT COMMITTEE HELD ON 13.07.2012

A meeting of Transport Committee was held on 13.07.2012 in the office chamber of Deputy Registrar (A&E).

The following members were attended:

1. Prof. J.C. Soni, Chairman
2. Dr. Tasi Kaye, Member
3. Mr. Hage Kojee, Member
4. Mr. Nangram Toglik, Member-Secretary

At the outset, the Chairman welcomed all the members. Following agenda items were then taken up for discussion and decisions taken thereon.

TC:01: Review of University Bus Schedule

The Committee reviewed the existing bus schedule. The Committee discussed the matter and suggested some changes in the existing bus schedule, which are briefly explained below:

During holidays and Sundays the number of bus trips have been reduced to 6 trips instead of 8 trips. The revised bus schedule will be drawn up by incorporating the changes as decided for circulation.

TC:02: Introduction of Application Form for New Bus Cards

The committee examined the application received from the Headmaster, Govt. Secondary School, RGU Campus for issuing bus cards to school children coming from outside the campus to attend their classes. The committee discussed the matter at length. In the light of increasing enrolment of students and employees in the University during the current session, it is not possible to entertain the issue of bus cards/passes to others. The present number of buses is not enough to accommodate more number of students particularly in the morning session. Considering the pressing situation, it was decided that bus cards will not be issued to school children of RGU School except the wards of University employees. It was also decided that School Management may be advised to explore its own arrangement/alternative ways to provide transport facility to its children coming from outside. It was felt that some seats in the front rows of university staff bus will be reserved for senior University employees.

The committee examined a draft format of the application for issue of new bus cards to all card holders. The committee has made some modifications in the Indemnity Bond which is a part of the application form, duly approved by the committee.

TC:03: Enhancement of Bus fare

The rates of bus tickets and concession cards have not been changed since 2007. During this period oil rates have been revised many times. TC:04 Any other item

Under this item, the following points have been discussed and resolved:

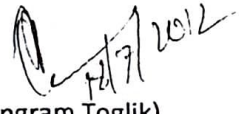

- a) Often it has been noticed that many passengers, viz. students, employees, workers, etc. are availing University bus services without ticket. It is not clear to the University the exact number of passengers availing university bus services without bus ticket. An Inspection Committee may be constituted to check this practice and to conduct surprise checking of University buses at regular intervals. It is obligatory on the part of Conductor/Handyman to issue ticket to the passengers for daily commuters. The passengers should also insist for ticket on paying money for the journey.
- b) The amount collected by the Handymen through selling of bus tickets should be remitted to University A/c on every day and proper account of the same should be maintained for every bus separately.
- c) It was decided in the Transport Committee that bus concession cards will be issued to regular University students for 10 months together for a full academic session that too will be remitted at one time. This will take effect from current academic session, 2012-2013 onwards. In case of University employees, renewal duration will be for six months. They have another option of spot payment of bus tickets.

As there was no other item for discussion, the meeting ended with vote of thanks from the chair.
